MARCH & APRIL NEWS

Welcome New Members!

Spring is just around the corner, but the activity at the club is already heating up!

The first two 3d shoots – the Slip & Slide and the Memorial shoots were both very successful.

Coming up next is the April Fools shoot. This shoot is set up with a sense of humor, so don't miss out on what many consider to be one of our most memorable shoots! Details on page 2.

Last but not least, the club needs your help! There will be a work party on March 20th & 21st. See you there!

Calling all club members! We need your help! There is a ton of work that needs to happen at the club.

There is so much work to be done that there will be work parties each month for the next three months. The first is on **March 20th & 21st**. Work begins at 9 AM, so bring your gloves, bring your family and bring a friend. There is an old saying that goes something like this- “ Many hands make light work.”

Many of us have working

memberships that require a mere 16 hours of work . A work party is a great way to make a big dent in those 16 hours. This is also a great way to get to know other members and make friends.

The next scheduled work party will be **April 10th & 11th**. And finally on **May 15th & 16th** there will be a work party. Hope to see you there!

Don't be *fooled* into missing the April Fools shoot. You are sure to get a

laugh out of some of the wacky targets ! Bring yourself, family and friends to this funny shoot. Shoot takes place **April 3rd & 4th**. See page 2 for details.

Important Membership News !!!

Dear Cascadian members,

As I send out the dues notices, I have a few thoughts...

Your membership card has an expiration date on one side of it. Hopefully, it will allow you to budget for your dues date.

The economy has affected everyone. If you are unable to afford your dues, please let me know (541-461-0224). We will be deleting gate card access by April 1st.

If you don't renew your dues and don't call me, I can only assume you no longer want to belong to Cascadian. I would appreciate it if you would return your gate card to me (they are expensive to replace). We will be happy to reinstate your membership at a later date for you.

Have a working membership? Have you completed your 16 hours of service to the club and recorded your time in the

book inside the clubhouse? Things to do are on the white board by the pop machine. I have 3 sheets from the work log book dating from June 2007 to June 2009. this represents a small amount of our 160 families who belong to the club. You can do the math.

Work party over here. Work party over there.

There is a lot of work to do at the club. Why not come on out and get the service hours in? Below are the dates for the next 3 work parties. It is really important we get as many people as possible to pitch in. Thanks to all of you who have helped in the past.!

P.S. Don't forget your gloves.

March 20th & 21st start time : 9:00 AM

April 10th & 11th start time : 9:00 AM
